ADDENDUM: REQUEST FOR QUALIFICATIONS – CDBG Street Design Project

It has come to the city's attention that two conflicting dates were provided for the original request for qualifications. We have extended the deadline one week from today. Attached is the complete RFQ in its entirety, firms that have submitted will be allowed to resubmit should they need to make any modifications.

The deadline to submit qualifications is 12pm January 29th, 2010. Firms should submit 10 hard copies of qualifications to:

City of Balcones Heights
Attention: City Administrator
3300 Hillcrest Drive
Balcones Heights, TX 78201

Submissions will be reviewed by the city staff and the Engineering Committee. Following the review of RFQ's the City anticipates choosing three or more firms to interview. Interviews are expected to be scheduled during early February 2010.

Following interviews the City will select a finalist. The contract will be awarded by the City Council with the advice and consent of the Staff and Committee.
