

Reduced Tree Trimming Rate

The City has secured a reduced fee for tree trimming services for Balcones Heights residents and businesses through Belk Lawn Care Services.

Trimming for trees that are 20-feet high and shorter will range from \$25-50. Additional fees will be incurred if trees are over 20-feet high or if a significant amount of time has elapsed since last pruning, the location of tree, accessibility and/or health of the tree. You are not obligated to use this company. It is only a special offer exclusive for Balcones Heights

If you would like your trees trimmed, or you have received a notice from Development Services that your trees need to be trimmed, you may contact Johnny Belk 210-365-2850 at Belk Lawn Care Services and let him know you are a Balcones Heights resident or business owner.
